SHRI. M V MUTHURAMALINGAM

Message from CHAIRMAN's desk

"The true purpose of Education is to train the mind to think and for that purpose it is priceless", says Albert Einstein.

It is in this perspective does Velammal step into the educational portal to create a vibrant ambiance for the students' community to explore, to strive, to seek and reach the pinnacle of glory by conquering all the cutting-edge competitions which await them outside the campus. The institution caters to the needs of children of varying abilities, talents, interests, and backgrounds for a holistic approach en masse. The school is tailor-made in facilitating opportunities for the students to meet challenges-be it scholastic or non-scholastic activities which would provide them with the foundation for a lifelong love of learning. I wish them from my bottom of the heart a BON VOYAGE in the sea of education and turn better citizens tomorrow.

SHRI. M V M SASIKUMAR

Message from DIRECTOR's desk

"A journey of a thousand miles begin with a single step"

The school must be a place of joy, a temple of knowledge and a home away from home for children. A nation can stand high only if the education system plays the part of being a back bone to produce better citizens. As the school is a citadel of learning, it is where the students find their second parents, the teachers, who dispel their ignorance. Let me assure the students' community, at this juncture, that the Management is ever ready to extend any support for the welfare of the growth of all students. I also promise that the students on leaving the institutions after the studies would never forget their Alma mater.

SMT. GEETHANJALI SASIKUMAR

Message from the DIRECTOR - ACADEMICS

"Excellence is always the result of high intention, sincere efforts, intelligent direction and skillful execution"

Our ultimate aim is to groom the students in a comprehensive learning environment. It is our firm belief that with the co-operation of parents, students and teaching fraternity, our goals can be achieved. To drive away the darkness of ignorance of the innocent, our institution awaits to illuminate their paths for an upward mobile. A student once admitted here will go out as a successful entrepreneur in future. Hence, we look forward to the amalgamation of a unified effort of teachers, students and management for a holistic knowledge.

SHRI. S MADHAVA KRISHNA

Message from the SENIOR PRINCIPAL - ACADEMICS

**"Education is most powerful weapon,
which you can use to change the world"**

Empowering the dreams of students with education is our only objective which we live by and try to fulfill each day. With a keen focus on quality education, we are steadfast in our path, giving assistance and aid to hundreds of students for attaining meritorious heights. We work closely to serve students in fulfilling their academic dreams through professional guidance. Our efforts and expertise in the education industry have brought us outstanding results over the years. Our highly dedicated and committed team strives to achieve excellence in the field of competitive exam preparation and I am honored to be a part of it. I am sure the varied services of BODHI offers to the students will be a great boon to students. I whole heartedly welcome you all to the place where minds are filled, goals are envisioned and dreams are realized.
